Dear ABHE,

The board of control would like me to inform you of our desire to seek accreditation with the Association for Biblical Higher Education. The board has also voted to affirm your tenants of faith as being consistent with our own.

We are already working with Agron & Associates as accreditation consultants and are making changes that are necessary to comply with your standards. We will welcome your annual visit to evaluate our progress and will be attending your annual meetings. We look forward to the guidance you will give us in how to be a more effective educational institution and in how to more faithfully carry out the mission God has given us.

Sincerely,

XXXX XXXXXX

President

Note two board actions are needed: 1) decision to seek ABHE accreditation, 2) Agreement with ABHE tenants of faith
